

## Ohio-Erie Rotary Youth Exchange Program, Inc.

### PROGRAM GUIDELINES INBOUND STUDENTS

**\*\* AIRLINE TICKETS:** Make certain that you purchase a **FULL ROUND TRIP RETURN TICKET**. Full means that all airport connections must be showing on the ticket, not just the port of entry into the USA or Canada. Your return ticket must be complete all the way through from your starting point to your final destination. Do not plan to buy your return ticket in North America or your connecting flights here in North America. This is the only kind of ticket approved by Rotary Youth Exchange. It may be an “**open**” or “**fixed date**” ticket and must be able to be changed with a minimal fee (US \$200 or less). This ticket enables you to return home without difficulty if that need should arise.

You must send a copy of your travel itinerary to your Ohio-Erie District Chairman, Club Counselor and Host Family as soon as it becomes available.

**\*\* INSURANCE:** Basic health and liability insurance coverage for your stay in North America is purchased online at:

[http://ugewtg0kuk/cek0qo\\_linsurancekggtfg](http://ugewtg0kuk/cek0qo_linsurancekggtfg)

This policy complies completely with Rotary International requirements.

**\*\* VISAS: BE ABSOLUTELY CERTAIN YOU HAVE THE CORRECT VISAS**

If you are going to be an **Exchange Student in the United States**, you will need:

- a) a “**Multiple Entry**” **J-1 Visa**, from the *US Embassy*. A **DS-2019** form is included with this letter, along with the Rotary Guarantee form. You may need to make a personal visit to the nearest U.S. Consulate to obtain your visa. Prior to this interview, you will need to pay the SEVIS I-901 fee of US\$180. As of June 24, 2019, this fee will increase to US \$220. This may be done on-line at <http://www.ice.gov/sevis/i901/index.htm>. The J-1 visa will allow you to live and attend school in the United States. Travel into the US requires that you have the DS-2019 form in your possession at time of entry. *Staple the DS-2019 into your passport.* When you first enter the United States, you will receive a white *I-94* “entry card.” *Staple this card into your passport.*
- b) a **Visitor’s Visa** from the *Canadian Embassy*, may be required for your country of origin, if you are assigned to D6380 (Michigan & Ontario), or one of the northern Ohio districts. This will allow you to travel back and forth to Canada. This should be valid for one year
- c) **and be a multiple entry visa.** The Government of Canada website: <http://www.cic.gc.ca/english/visit/index.asp> lists those countries that DO NOT require a visitor’s visa.

If you are being **hosted by District 6380** and going to be an **Exchange Student in Canada** you will need both of these documents:

- a) a **“Multiple Entry” S-1 Visa**, from the *Canadian Embassy*, allowing you to live and attend school in Canada. Make sure you request the visa to extend beyond the school year of June 30<sup>th</sup> - you can stay for up to 1 year from your arrival date. Information is available at [www.cic.gc.ca/study](http://www.cic.gc.ca/study). When you arrive and clear Canadian Immigration you will receive green immigration form, called a “Study Permit”. *Staple this sheet into your passport.*
- b) a US **“B-2” Multiple Entry Visitors Visa** from the US Embassy, which will allow you to travel back and forth from the US. Request it to be **valid for one year**. When you first enter the US, you will receive a **white I-94** “entry card.” Staple this card into your passport.

**\*\* EMERGENCY MONEY:** You will be required to set up a **joint “Emergency” bank account** with your Rotary Counselor. **This account must have a balance of at least US \$350.** If money is withdrawn for emergencies, it must be replaced immediately. The account may be closed, and the remaining balance withdrawn, when you leave for home at the end of your stay.

**DO NOT LEAVE HOME  
UNLESS YOU HAVE THE ABOVE ITEMS!**

**\*\* PERSONAL EXPENSES:** You will find that Rotary Clubs and Host Families are very generous, friendly, loving, and caring, however, **DO NOT** expect them to pay for things that are your responsibility. During the year, you may be invited to participate in many events, which are educational, interesting and fun. Souvenirs, joining clubs and activities, or purchasing clothes should be considered in determining how much money to bring with you.

**\*\* IMMUNIZATION:** Be sure to bring copies of all immunizations with you, **with complete dates and dosages.** This information is required by all schools, in order to attend. Failure to have this documentation may result in your not being able to attend school, which could lead to a loss of your student visa status. You will need to make sure that you have a **TB Test done within three months of your school start date.**

**\*\* MEDICAL:** If any medical issues occur, that would change any answer on the medical or dental form of the Long-Term Application, this change **MUST** be reported to your Hosting District Chair within 10 days of the occurrence.

**\*\* HOST FAMILY:** During your stay you will be living with at least two families located in your assigned community. Students may not reside with any relative during the exchange.

**\*\* SCHOOL:** Students must certify that they have not previously been an academic year or semester exchange student in the host country.

Students **MUST** provide a translated “written English language summary” of the exchange student’s complete academic course work.

Some US schools are conducting entrance tests for English fluency and may require the student to undertake a test prior to acceptance in the school. It is important that students have some preliminary English when they arrive.

Students are expected to have regular attendance at school and are encouraged to take a regular course load, which will expose them to the language and culture. Although they may be eligible to get credits or even a diploma, the Rotary Youth Exchange Program does not in any way guarantee this.

Students are strongly encouraged to join school teams or get involved in extra curricular activities (e.g., music, drama, clubs, etc.). This will help them to make friends and to facilitate their integration into the new culture.

**\*\* ATHLETICS & EXTRA CURRICULAR ACTIVITIES:** Eligibility to participate in extra-curricular activities, including athletics, is not guaranteed. Eligibility is dependent on local school and or state authority.

**\*\* EMPLOYMENT:** Exchange students may not be employed on either a full- or part-time basis during their stay in the United States or Canada, but they may accept sporadic or intermittent employment such as babysitting or yard work.

**\*\* COMMUNICATION:** Exchange students are encouraged to communicate with both their host club counselor and host family prior to leaving home. Keep this communication informal – telling them about your family, your interests and your departure itinerary.

**\*\* TRAVEL:** Travel is permitted with host parents or for Rotary club or district functions authorized by the hosting Rotary club or district, with proper adult chaperones. Independent travel is prohibited. Further explanation of travel rules is found in the *Independent Travel Rules* document.

**\*\* RETURN HOME:** This is a school year program (generally mid-August to mid-June). Unless you are involved in a Rotary-related trip, travel in the host country with your family, or other legitimate activity (as determined by your host District Rotary Youth Exchange Chair) after school ends for the year, you will be expected to return home within fifteen days of the last day of school. Activities extending beyond this deadline will require advance approval by your host District Rotary Youth Exchange Chair, your host Rotary Club, and your host family.
